

Greetings Future Volunteer!

Thank you for your interest in volunteering with Pink Lemons! We hope you are as passionate as we are about making life a little sweeter for the most underserved youth throughout Chicago. Volunteering with us is a great way to meet new friends, advance your career, and increase your happiness and health, all while making a difference.

Here at Pink Lemons, something new and exciting happens every day, and our need for people power is increasing more every day. As a volunteer, you are vital to helping us delivery high-quality, critical services and programs, and we welcome your commitment, enthusiasm and love for seeing the youth we serve thrive.

Whether you choose to tutor in-person or virtually, or wish to help out wherever needed, we have flexible schedules and a variety of different roles that are all impactful. As a volunteer, you can assist with fundraising, shipping & receiving, inventory, workforce development or entrepreneurial workshops, just to name a few. Acceptance into our volunteer program is contingent on a successful interview and background check. We have monthly orientations, training, free t-shirts, and monthly birthday celebrations.

Are you ready to help make a difference? Awesome! Simply, complete the enclosed volunteer application and return to Hello@pinklemons.org with "Volunteer" in the subject line. Still have questions, you can visit our website, pinklemons.org for our list of FAQs. Hope to see you at our next volunteer orientation!

Kind Regards,

Vanette Rhodes
